NEWS FROM BAY HIGH—

TIGER TALES

Bay High's annual Activity Banquet was held in the school's Gymnasium, Thursday evening, May 2. Guest speakers were Mr. James "Buster" Poole, assistant coach at the University of Mississippi, and Dr. Thomas A. Bickersstaff, Professor of Mathematics at the University. They were introduced to the gathering by Supt. S. J. Ingram and City Attorney Dan Russell.

Students who received recognition were those who had participated in activities throughout the year. Activities that were recognized for eligibility to attend the banquet were: football, basketball, track, band, chorus, cheerleaders, debate, declamation, expression, Student Prints, and Student Activity. Coach Caldwell presented the students who had participated in basketball and track; Coach Lumpkin, those who had participated in football; Mr. Marcel LaNasa, Band and Chorus cheerleaders and majorettes; Mr. V. O. Powell, Student Activity; Mrs. George Hall, The Student Prints; and Miss Alma Parker, declamation and expression.

Many prominent residents of Bay St. Louis and Waveland were guests at the banquet. Mrs. Juanita Erwin and her Home Economics girls made the delicious salad and cake served at the banquet and several of the girls served.

Third year Home Economics class entertained members of the

In Loving Memory of
ALBERT ANTHONY "TONY"
CREEL

Died May 9, 1955
From beyond the stars in the
Heaven above

God needed another Angel so He
sent for you our precious love
Two years have come and gone
But precious memories of you
Daddy Dear linger on
It is so hard to part from the
one you love

Although we know you are gone
to your home in Heaven above
So we say God's Will be done
As we bow our head in prayer
For our loving Daddy who is way
up there

And now Daddy Dear all I can
give you are the flowers I lay
upon your grave
And upon each petal of the flower
is a prayer and a tear for the
love you gave

Through the years that follow we
shall always miss you
We hope some day God will send
an angel out of the beautiful
sky so blue

To guide us Daddy to your love
Beyond the stars in that beautiful
Mansion above
Sadly missed by
Your Family and Daughter Clare.
—Composed by daughter Clare.

school Board, City Officials and their wives at a buffet supper Tuesday, May 7th in the Home Economics Department. Attending were: President Mr. and Mrs. A. L. Siren, Board members and Mr. and Mrs. J. W. Watts, Secretary of the board, Mayor and Mrs. John Seafide; Mr. and Mrs. Cyril Glover, Mr. and Mrs. Warren Traub Commissioners, Mr. and Mrs. Dan Russell, City Attorney; Mr. Sam Favre, Attorney for the school board; Supt. and Mrs. S. J. Ingram and Principal and Mrs. Joe D. McCulloch.

Cleta Kay Miller rated Excellent in the State Expression contest held in Jackson, Saturday, May 5th. This is the second time Cleta Kay has advanced to the State Contest. She has rated Superior in the Regional contest three times.

Thirty-eight seniors are in the graduation class of Bay High. The public is cordially invited to attend Vesper Services, Sunday, May 19 at the Bay High Auditorium at six o'clock. Mr. Edward A. Khayat will give the address at the Vesper Services. He is one of Mississippi's outstanding speakers.

Commencement Program is Tuesday evening May 21 at eight o'clock at the Bay High Gymnasium. Thomas Hill, Salutatorian, will give "To Walk in the Light." DeWitt Kennedy, President of the senior class will give, "What Makes America." Sue Ann Osbourn, Valedictorian, will give, "Gains From High School."

The American Legion Auxiliary of the "Clement R. Bontemps Post No. 139," Bay St. Louis, sponsored an Americanism essay contest. Every senior in Hancock County was eligible to participate. The title of the essay was "The Attributes of A Good Citizen in The High School." Peggy Smith's essay was selected from the seniors of Bay High School.

MISS BARBARA ANN HUBBARD

Miss Barbara Ann Hubbard, daughter of Mr. and Mrs. Robert G. Hubbard, Jr., Waveland, Mississippi, is engaged to be married to Mr. Donald Morris Levy, son of Mrs. J. K. Larsen of Bay St. Louis and Mr. Leo Levy, of New Orleans.

Miss Hubbard is a graduate of St. Joseph Academy in Bay St. Louis and attended Miss Southern College where she was a member of Chi Omega Social Fraternity. Mr. Levy graduated from St. Stanislaus College in Bay St. Louis and attended Tulane University where he was affiliated with Kappa Sigma Fraternity. He is now a student at Louisiana State University School of Medicine and is a member of Phi Chi Medical Fraternity.

The wedding will be solemnized on June 8 at Our Lady of the Gulf Church in Bay St. Louis. Miss Hubbard's mother is the former Dorothy M. Thompson of New Orleans and Mr. Levy's mother is the former Leontine Capdepon of Bay St. Louis.

An Appeal

Dear Friends of Bay St. Louis:

This letter may seem a bit unusual, but we are eager for you to share our unusual experience. We are seeking your help in this most important endeavor. Many people have kidded us saying, "You'll never make it, people won't support such an idea," but the tremendous response to our mission has confirmed our faith that people will support endeavors which are dedicated and sincere.

Some people from the Bay have already helped us nearer our goal, but we still have a long way to go and time is growing short. We want publicly to thank all of you who have assisted us already, and we hope that you will be proud of our accomplishments when we contact you by letter as the mission progresses. Though this is not an official activity of Millsaps College, Dr. Ellis Finger the president of the school will gladly vouch for the earnestness of this endeavor should you desire reference. We can supply other names if needed.

Briefly our project is this: We are going to share a summer of interdenominational Christian evangelism. Our destination at this point is Europe, but should we be led otherwise, we shall gladly serve where we can best fit the spiritual needs of people. We will go with the attitude of wanting to learn from others, but at the same time sharing our faith with them. We are all young ministerial students, and we feel such an experience will broaden the scope of our ministries and lives. We will attempt to present our Christ with such determined humility that others will be prompted to accept the right hand of Christian fellowship. Every dollar we receive will be used this summer directly in a program of Christian evangelism by our team. We will not be representing any "great" personal names, but we hope to share our faith in the most dedicated way we know.

The success and extent of this Christian witness Mission will depend upon the co-operation and contributions of fellow-Christians who for a long time have really wanted to be a part of a positive project for Christian evangelism. You may be such a person.

At a time in our history when Communism and Godlessness are sending out delegates by the millions, it is only right that Christian people go out and witness for the things they hold sacred. We feel that this is our duty. Will you help us? Humbly, we seek your help. We are determined. We must serve. Will you become a vital part of this project? If you cannot give dollars, quarters or dimes will count up. Our address is: CHRISTIAN WITNESS MISSION—c/o Box 5016, Millsaps College, Jackson, Mississippi. Checks can be made payable to: Christian Witness Mission. May God bless you in supporting your young people, your Christ, and your country.

Sincerely yours,
Lacy Causey,
John Sharp Gatewood
Julian Rush
Keith Torkal.

Joint Meeting Of Altar Society And Saint Margaret Daughters

At the regular joint monthly meeting of Our Lady of the Gulf Altar Society and St. Margaret Daughters, held in the Parish House last Thursday, May 2nd, a nice attendance of active members was noted.

After a time of prayer, the meeting was opened by Mrs. Vincent Piazza, reported a number of charity cases which had been given assistance, and Mrs. Piazza requested second hand clothing for needy persons who are being assisted by St. Margaret Daughters.

The Membership Chairman stated St. Margaret Daughters at this meeting had received its 100th paid membership.

The Altar Society meeting was presided over by Mrs. G. F. Stevenson who told members that a great deal of planning and assistance would be required for the reception to be given after the Confirmation for the Most Rev. Joseph Bernard Brunini, D. D., on Sunday, May 19 at 8:30 o'clock.

It was decided that the Altar Society and St. Margaret Daughters would receive communion in a body at 7 o'clock Mass on Mother's Day, Sunday, May 12, and the members of the St. Joseph Academy Mothers Club and the Pere Le Duc Council Ladies Auxiliary would also be invited to join St. Margaret Daughters and the Altar Society in the corporal communion.

In deciding on different means of raising funds for the Altar Society's work, the ladies planned to endeavor to increase the membership and solicit donations. Mrs. O. W. Delph, Membership Chairman, stated so far there were 280 memberships in the Altar Society.

Each member present agreed to endeavor to bring in as many memberships as possible at the June meeting.

Mrs. John Joyce, Workers Chairman, asked for volunteers for the weekly church work.

The June meeting will be held in the home of Mrs. O. W. Delph and Mrs. M. A. Phillips accepted the chairmanship for the luncheon preceding the meeting.

After prayer and adjournment Mrs. Lucille Weeks and Miss Kathleen Renshaw served refreshments and a pleasant social hour was enjoyed.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Warren Prevost announce the birth of their first child, a son, born Sunday afternoon at 4:00 o'clock in King's Daughters Hospital.

Mrs. Prevost was before her marriage, Miss Linda Johnson. Bay St. Louis Police Chief, Alaine Saucier, is proudly announcing the fact that the infant is his first great-grandchild.

Mrs. Agnel Stiglett Dies At Kiln Home

Mrs. Agnel Stiglett, died at her home in Kiln, Tuesday, April 30, of a heart attack, at the age of 58 years.

Funeral services were held from the Church of the Annunciation, Kiln, with interment in Rotten Bayou Cemetery.

A native and life long resident of Kiln, the deceased is survived by her husband Agnel Stiglett; two daughters, Mrs. Chester Bilbo and Mrs. Daniel Lafontaine, Bay St. Louis, and one son, Joseph Stiglett, New Orleans; also survived by two sisters, Mrs. Xavier Ladner, Pass Christian and Mrs. David Williams, Lumberton and six grandchildren. She was the daughter of the late Joseph and Gardelia Ladner Malley.

Full bearers included Marvin Bobinger, Alcide T. Neccise, Kiln; Bill Lusk and Andrew Johnson, Bay St. Louis; Lacey Cuevas, Pass Christian; August Usher, New Orleans, La.

TO ATTEND ANNUAL MEETING SOCIETY OF AMERICAN FORESTERS

Among those from Bay St. Louis who will attend the annual meeting of the Gulf States Section, Society of American Foresters, in New Orleans on May 9 and 10th are J. Roland Weston, Marion Parker, County Forester and Sam Whitfield.

The Society is the national professional organization of foresters. Comprising the states of Louisiana, Mississippi and Texas, the Gulf States Section is the second largest of twenty-one Sections in the Society with a total membership of 823. Mississippi is represented with 270 members, Louisiana with 397, and Texas has 188 members. According to a rotation plan, the annual meeting was held in Galveston, Texas, last year and will be held in Mississippi next year at a place yet to be announced.

Currently serving as Chairman of the Gulf States Section is W. M. Palmer, Jr. of Natchitoches, Louisiana; W. F. Mann, Jr. of Alexandria, La.; and Hal E. Townsend, Natchitoches, La. The new slate of officers to be announced at annual meeting will all be from Mississippi in keeping with the rotation plan.

The program for the New Orleans meeting will include a keynote address by Society President, DeWitt Nelson, of Sacramento, California, who will speak on the subject, "Growing Tomorrow's Wood Today." The Society's Executive Secretary, Henry Clepper, Washington, D. C., will speak to the members on current efforts to recruit more high school graduates into forestry ranks. Other talks will include subjects dealing with the management and protection of woodlands.

delaying action for the past three weeks. The indications now, being realistic, are that the vote will have to come within the next two weeks although we are doing our best to delay the vote as long as possible. Through other parliamentary maneuvering we hope to keep the bill off the floor until at least some time early in June. Of course, once it reaches the floor of the House where the parliamentary situation does not permit a filibuster as such it will pass because of the vote appeal in other sections than the south. Our strategy has been and still is to delay its reaching the Senate as long as possible. There the parliamentary procedure is different.

This reaction to Governmental appropriations and governmental spending has indeed been most refreshing to those of us who have been advocating economy and retrenchment in Government since the reaction to the budget in World War II.

The House has made some progress in the appropriation bills that have been considered by it up to now, in a reduction of the budget. Frankness compels us to say, however, that that reduction has been practically exclusively the result of the efforts of a re-forming of the old coalition between Southern Democrats and Northern Republicans. The record will disclose that in the votes taken up to this time our Northern Democrats brethren, in spite of their protests in favor of economy, have gone down the line in opposition to the cuts.

As the matter now stands, the House has considered ten appropriation bills. The President's budget called for a total of \$15,577,225,553 for these ten bills considered. The House cut this by a total of \$1,105,882,850. This is not quite ten percent. But this leaves approximately \$7 billion still to be acted upon. If the same ratio of cuts prevails, the House would, of course, cut the bill by almost seven billion dollars. But it must be remembered that the lion's share of the approximately \$7 billion still to be acted upon consists of foreign aid and defense. That there will be a rather substantial cut in foreign aid would now appear certain. This notwithstanding that the Administration will make an all-out fight for the full request. But again it will be very difficult to make any substantial cut in the approximately \$38 billion requested for the Defense Department. It is our opinion that not only should foreign aid be cut at least in half (we have consistently voted against all of it for the past several years) but that the Defense appropriation could be materially cut without endangering national defense.

There is no other department of the government in which there is more waste than in this department. Moreover, we still adhere to our views so often expressed in the past decade—that there is more danger to the loss of our liberties through inflation and the destruction of our economy than there is from the threat of military action by the communists.

There is some evidence now that the Senate, which has traditionally restored House cuts will this time make a determined effort to maintain them.

"CIVIL WRONGS"

The House Rules Committee began hearings last week on the application for a rule to send the "civil wrongs" bills to the floor of the House. Although that committee is stacked against us on this issue, we have succeeded in

Every day is Mother's Day
—when you live electrically!

Is that you humming happily around the house just about every day of the year?
Or is it an automatic dishwasher? A vacuum cleaner? A fan or a food mixer?
Surely, some of the humming must be yours—for the many ways electricity lightens your work is something to be happy about.
The men and women of your electric company are busily at work every day for you, too—building more power now for your even happier electric future.
You can count on plenty of electricity—always.

MISSISSIPPI POWER COMPANY

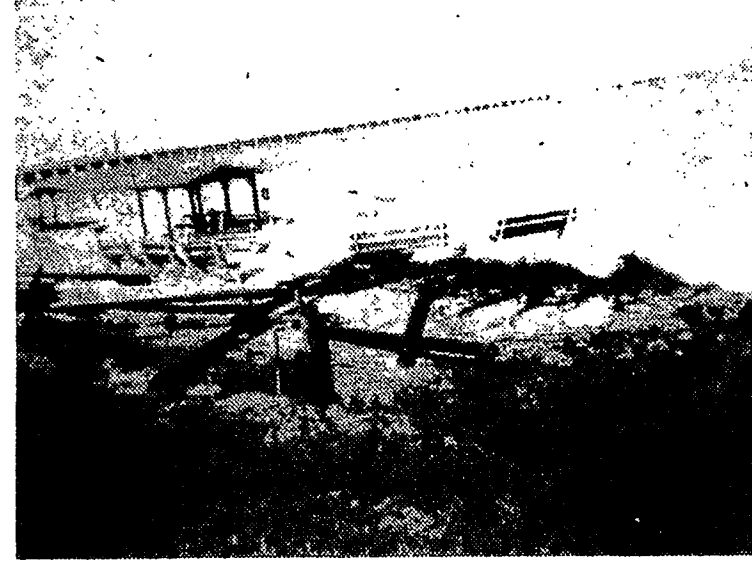

Pictures To Prove Conditions Existing With The Present Administration

This was definitely not during the 1947 hurricane. This is St. Charles Street in April 1957.

A beautiful seawall hid by weeds six feet high - April 1957.

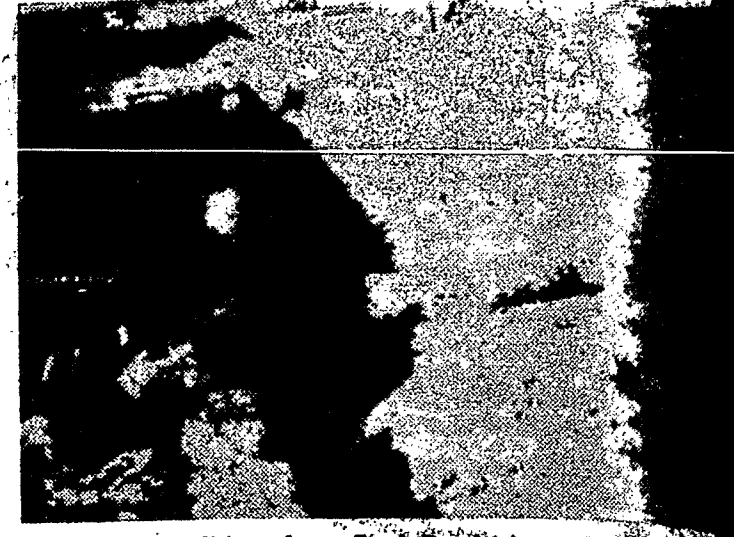

Our Sand Beach given to us by Merritt-Chapman-Scott. A pitiful sight for the tourist to see.

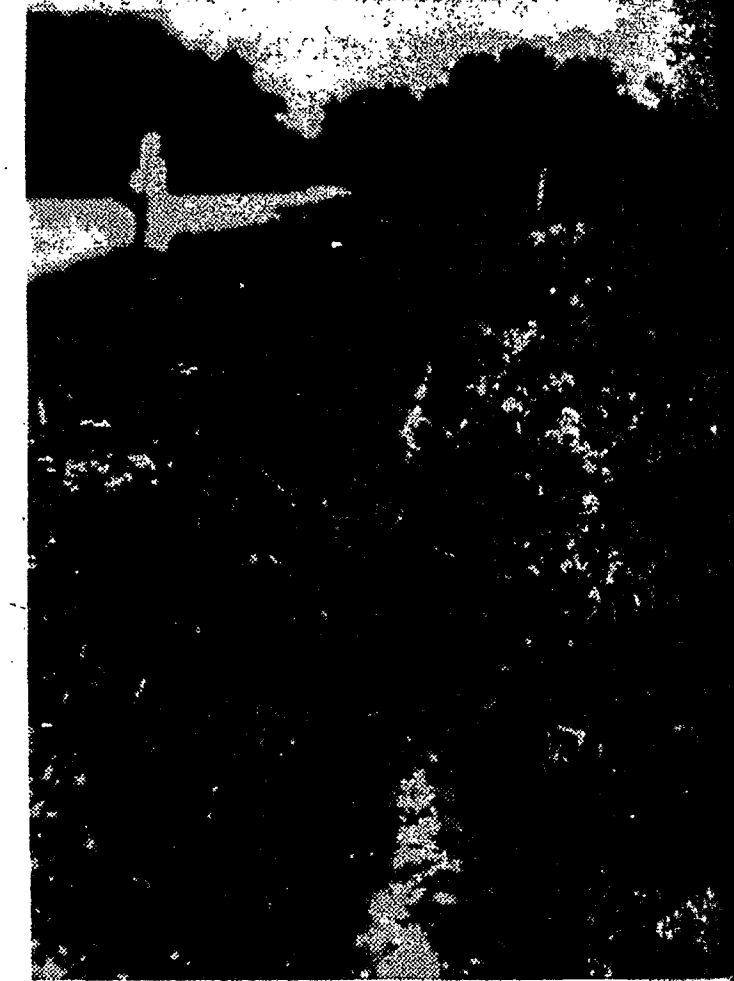

This is the beautiful Railroad Avenue. We were promised it would be hardsurfaced since Sales Tax two years ago.

The most pitiful sight of all is this drinking fountain in the yard of the Valena C. Jones School.

This is the condition of our Sand Beach six weeks before election. If you want this to continue vote for the present administration. Do not vote for the New Team and progress.

A sorrowful sight in front of Valena C. Jones School in April 1957. A cat lost her litter of six kittens in these weeds.

The swings and slides should be replaced with pirogues for children to play with in this school yard. All it takes is a good shower to cause this daily.

Elect Joseph H. Benvenuti, George E. Heitzmann, Russell J. Elliott, And These Conditions Will Not Exist. For A Continuous Road And Drainage Upkeep, Vote This New Team.

WE MUST EITHER HAVE AN ELECTION EVERY 4 MONTHS FOR PROPER MAINTENANCE OF YOUR CITY IT IS OBVIOUS OR A CHANGE OF ADMINISTRATION. TAXPAYERS! IT IS CHEAPER TO CHANGE THE ADMINISTRATION TO THE NEW TEAM WHO WILL BE CONSCIENTIOUS OF THEIR RESPONSIBILITIES TO THE CITY ALL THE TIME...

The Future City Council

THANKS

Through this means I wish to extend my **SINCEREST APPRECIATION** for the cordial and warm reception given me during my campaign. I shall always be grateful for the encouragement extended me and the wonderful support given me in the special election of last year.

I will always uphold **RIGHTEOUSNESS** and pledge myself to be a servant of **ALL OF THE PEOPLE**. God willing, I hope to serve you as a member of your City Council for the coming four years, assuring you I will remain **UNBIASED** and **WITHOUT MALICE** to those who opposed me in my candidacy.

Respectfully,
George E. Heitzmann
Candidate for City Commissioner.

Throughout the Campaign for the coming City Election I have endeavored to convey to you my views on the issues in which you have expressed an interest. I have publicly expressed my convictions and opinions on controversial matters and have campaigned hard and seriously. While doing this, I have kept in mind and adhered to the moral ethics of the golden rule in conducting the campaign on an impersonal level. To you, the people of Bay St. Louis, I feel that you have been interested in my feelings concerning the issues by the favorable and warm reception given me at all times; for this, I thank you! I thank you also for your encouragement and courtesies extended, and with your help and God's Will, I will be your next Mayor for a progressive Administration.

Thank you!

Joseph H. Benvenuti
Candidate for Mayor

To you, the Citizens of Bay St. Louis, I sincerely express my Heartfelt **APPRECIATION** for the patience, consideration and encouragements shown me throughout this campaign.

To all Candidates, I state that it has been my policy, at all times, not to involve or discredit anyone's character or family. I earnestly hope that no remarks, addressed to you, in behalf of my Candidacy were interpreted to be a direct or indirect slanderous attack on anyone. I personally respect and appreciate the high level upon which this campaign has been laid. It will be my highest aim, when elected, to serve all the people all the time and to establish a definite Youth Activity Program in our community. Your consideration and vote on Election DAY, I will be humbly grateful.

Sincerely Yours for Service,
Russell J. Elliott,
Candidate for City Commissioner.

INDUSTRY, HERE ARE THE FACTS

The survival and progress of the Community depends on its economic stability, which is based on **SUPPLY AND DEMAND**. At the present time there is no demand for labor or workers in Bay St. Louis due to the lack of industrial facilities. Consequently, a great proportion of our population have to leave home and seek employment elsewhere.

We intend to solve this problem by acquiring industries in our Community which will raise the standard of living for many people. Statistics show that a plant employing 100 workers will result in the following:

1. 296 More people
2. 112 More Households
3. 51 More School Children
4. \$590,000.00 More personal income per year
5. \$270,000.00 More bank deposits
6. 107 More Passenger cars
7. 174 More workers employed
8. 4 More retail establishments
9. \$360,000.00 More retail sales per year

CITIZENS RIGHTS RESPECTED AND PROMISES FULFILLED

Throughout our term of Office, we will **AT ALL TIMES** be governed and in accord with the will of **THE MAJORITY OF THE PEOPLE**.

The Rights and privileges of **ALL THE CITIZENS** will be respected and strictly adhered to, with no discrimination towards anyone.

The City Hall, the records and City Facilities will belong to the people and they will share in the operation of our Community. **ALL PROMISES** made by us will be fulfilled and carried through to completion.

AT NO TIME, regardless of the legality of the issue, will a bond issue be proposed without the **VOTE OF THE PEOPLE**.

We will encourage and assist all Civic, Religious and Veterans Organizations in our Community, and all city facilities will be available to these organizations, who tend to better our City.

IMMEDIATE IMPROVEMENTS

1. An adequate and equal distribution of water throughout the entire city.
2. Establish and operate an additional fire station in South Bay.
3. Purchase a site for New **FREE CEMETERY**
4. An Immediate Audit of the City Finances.
5. Publish the minutes and Disbursements.
6. Increase the support to our Public Schools and Educational Facilities.
7. Provide drainage in all areas.

WE KNOW THAT THE ABOVE CAN BE ACCOMPLISHED ADEQUATELY FROM CURRENT REVENUES.

"YOUTH PROGRAM"

It has been brought to our attention that Juvenile Delinquency has increased at the rate of 50 per cent per year during the last three years. Although delinquency in Bay St. Louis today is not considered a menace or a threat, we know unless corrective and preventative action is taken now, we will be faced with a very grave

problem in the future. Besides our children are the dearest possession we have and will always be first in every consideration.

We will allocate more money to Youth Programs, surely \$300.00 per year is not sufficient. We will appoint and employ a paid Youth Counselor, along with activating a Student's Council. All police officers will be instructed to serve as truant Officers. At all times, as city fathers, we will be personally active and responsible for the promotion of Youth Activities in our Community. We know that by keeping our young people interested and active in schooling, religion, Sunday School, Athletics and other forms of good, clean wholesome entertainment, delinquency, cannot prosper. We will create means of diversion to occupy their leisure hours.

Children will follow leadership, and consequently if the leadership is good, will be the following of our most important members of the Community.

We will see the assistance of all parents in the Community, so children will be afforded the opportunity to develop into outstanding citizens and leaders of tomorrow.

WE HUMBLLY SOLICIT YOUR SUPPORT AND VOTE IN THE CITY PRIMARY ELECTION MAY 14TH. WE WILL SERVE YOU FOR A BETTER AND PROGRESSIVE COMMUNITY. WE WILL BE YOUR PERSONAL UNBIASED REPRESENTATIVE AND WILL RESPECT THE WILL OF THE MAJORITY AND THE LAWFUL RIGHTS OF ALL THE PEOPLE, TREATING EVERYONE FAIRLY AND IMPARTIALLY.

IF you're looking in the low-price field

READ THIS STARTLING FACT

5 out of 10 Smaller Cars wear a Pontiac Price Tag —yet none give you Any of Pontiac's Advantages

PONTIAC'S PERFORMANCE TOPS THE BEST THE SMALL CARS CAN OFFER—BY A WIDE MARGIN!

Not one of the smaller cars can measure up to Pontiac's Performance. Whether you judge a power plant by engineering statistics or on-the-road performance, Pontiac's Strato-Strak V-8 stands head and shoulders above anything in the low-price field. Your Pontiac dealer will be happy to show you a complete fact-and-figures comparison—then an eye-opening test drive in traffic or out on the highway will supply all the heart-lifting proof you need that Pontiac has separated the men from the boys when it comes to performance!

PONTIAC GIVES YOU UP TO 8.9% MORE SOLID CAR PER DOLLAR!

Not one of the smaller cars can give you the heavy-duty construction, the road-hugging left and solid security that surround you in every Pontiac. Yet Pontiac's the nimblest heavy-weight you ever managed—and your Pontiac dealer can show you more than six dozen advanced-engineering reasons why! Pontiac has gone all out to make this genuine big car the most docile package of might you ever had the pleasure of bossing. You'll find Pontiac's exclusive Precision-Touch Controls make steering and braking the surest, easiest you've ever experienced! Park it, cruise it, try it in stop-and-go traffic... this is driving the smaller jobs can't possibly equal.

PONTIAC GIVES YOU 4 TO 7 INCHES MORE WHEELBASE!

The small cars extend bumpers and fenders to look big—but Pontiac puts the extra length where it counts—between the wheels! Here's extra length that brackets the bumps instead of riding over them! And this extra length shows up inside, too, in stretch-out space for six footers. Add to Pontiac's bonus in length its all-new suspension system and you have an exclusive Level-Ride life no car at any price can surpass... and a built-in sense of direction and security that will keep you for the smaller cars forever!

—AND PONTIAC HAS ALWAYS BEEN FAMOUS AS ONE OF AMERICA'S TOP TRADE-INS!

Maybe it comes as a surprise to you that so much more car can be yours at the same price you're used to on the smaller cars. But there's the fact! And Pontiac is a wonderful investment, too! As you know, it has always commanded a top trade-in. So why not step out of the small-car class and into a Pontiac... there's nothing in your way. Your Pontiac dealer has the keys and an eye-opening offer waiting for you right now! So why not look and feel like a million—instead of a million others?

Can You See, Hear, Feel Safety? Check Your Car—Check Pontiac!

HERE'S THE WAY TO LIVE RIGHT NOW!

The eight men above have been named to head general work committees of the Mississippi Economic Council during its 9th year, which begins May 1st. Their appointments were made by MEC President J. D. Wise of Hazlehurst. The leaders and the committees they head are: Bruce C. Aultman, Hattiesburg attorney, state and local government; Steve E. Babington, Brookhaven banker, home-town development; Leslie Darden, New Albany attorney, labor relations; Morris Lewis, Jr., Indianola wholesale-retail groceryman, education; Fred B. Smith, Ripley attorney, national affairs; Ben M. Stevens, Jr., Richton lumberman-merchant, highways and roads; Orrin H. Swayze, Jackson banker, legislative action; and W. E. Walker, Jr., Columbia merchant, commercial organization services. Some 300 MEC members will serve on the eight committees.

increased 9 per cent during March as compared with March 1956. Indicators showed the following changes: bank deposits, down 1 per cent; money orders issued, down 6 per cent; postal receipts, down 12 per cent; telephones in service, up 8 per cent; electric connections, up 1 per cent; gas connections, up 1 per cent; and city sales tax collections, down 4 per cent.

Data showed that business activity in Gulfport fell 2 per cent during March as compared with March 1956. Indicators showed the following changes: bank deposits, down 5 per cent; money orders issued, up 1 per cent; postal receipts, down 11 per cent; telephones in service, up 10 per cent; electric connections, up 4 per cent; gas connections, up 4 per cent; and city sales tax collections, up 3 per cent.

Bay St. Louis reported an increase of 2 per cent during March as compared with March 1956. Indicators showed the following changes: bank deposits, down 7 per cent; money orders issued, up 13 per cent; postal receipts, down 4 per cent; telephones in service, up 11 per cent; and city sales tax collections, up 13 per cent.

Business activity in Pass Christian fell 5 per cent during March as compared with March 1956. Indicators showed the following changes: bank deposits, down 1 per cent; money orders issued, down 17 per cent; postal receipts, down 49 per cent; telephones in service, up 6 per cent; gas connections, down 4 per cent; and city sales tax collections, down 2 per cent.

Picayune reported an increase of 5 per cent in business activity during March as compared with March 1956. Indicators showed the following changes: bank deposits, up 8 per cent; money orders issued, up 4 per cent; postal receipts, down 10 per cent; telephones in service, up 11 per cent.

MISSISSIPPI PLANTING IN FULL SWING

The planting of cotton and corn got into full swing over much of Mississippi during the past week. An abundance of grazing is being utilized to good advantage by livestock. Current rains have assured an excellent small grain crop in Humphreys County and Cattlemen report "very satisfactory" prices received for cattle during the month. Except in pots, no farm work has been

Announces Sale Of Class C Common Stock

The stockholders of Coastal Chemical Corporation have voted unanimously to authorize the sale of \$2,500,000 Class C Common stock, the proceeds of which will be used to erect an anti-dumping ammonia plant at Pascagoula, Mississippi, according to an announcement by Charles S. Whittington, Greenwood, Miss., President of the company.

Mr. Whittington also stated that the request for the issuance of this stock is being filed with the Securities and Exchange Commission in Washington and, if approved, stock would be offered for sale immediately after the approval.

In commenting on the action of the stockholders, Owen Cooper, Executive Vice President of the Company, stated that plans call for the erection of an ammonia plant to produce approximately 40,000 tons per year of which approximately 25,000 tons would be for a captive use in the high

Ammonia Plant

Ammonia fertilizer plant now under construction at Pascagoula, Miss.

It is estimated that the cost of the ammonia plant would exceed \$5,000,000 and would take approximately two years to complete. This plant would be built in addition to the high analysis fertilizer plant now under construction and would provide a completely integrated fertilizer facility.

Mr. Cooper also stated that the completion of the ammonia plant would bring the investment in the facilities at Pascagoula to approximately \$11,000,000.

something wonderful happens when you cook with GAS

"The way to a man's heart..." Cook with GAS! It's faster, easier, cleaner, foods just naturally taste better because nothing cooks like flame. Costs less. And with the new thermostatically controlled top burners, foods won't boil over, scorch, over-cook or under-cook. Every pot and pan is automatic. No wonder so many more homes and restaurants prefer dependable, economical NATURAL GAS for cooking.

MEC Council Committees Announced in Jackson

Personnel of three Mississippi Economic Council committees holding organizational meetings in Jackson during the coming week are being announced by J. D. Wise of Hazlehurst, new MEC president.

Mr. Wise said the three committees are the first to schedule meetings during the Council's 9th year, which started May 1st. The committees, their chairmen and meeting dates are:

Highways and Roads, Ben M. Stevens Jr., Richton, Tuesday, May 7; Commercial Organization Services, W. E. Walker, Jr., Columbia, May 8; Hometown Development, Steve E. Babington, Brookhaven, Friday, May 10.

Those serving on the committees from this area are: Highways and Roads H. H. Shattuck, Bay St. Louis.

Mr. Wise said committee appointments to the other five committees are being made, and that organizational meetings will be held during the month.

First Plans For Action Toward Construction Of New Fraternity House

State College, Miss.—(Special)—The desire of the Kappa Alpha's at Mississippi State College for a new fraternity house for next year has been reflected during this past year by the hard work and sacrifices that this group has made, according to Billy Tom Ware of Brookhaven, president of the local chapter. They began the school year with a State alumni meeting at their present home in Starkville.

From this gathering came the first plans for action. Boswell Stevens of Macon was appointed chairman of the State Alumni Building Committee. The state was sectioned off into districts and alumni from these areas were made special members of the committee.

These men are Bill Rhett of Columbus, 1st District; James "Bully" Forbes of Grenada, 2nd district; J. C. Bridges of Winterville, 3rd district; Ray Canada of Edwards, 4th district; Ed Heblan of Meridian, 5th dist.; and Leo Seal of Bay St. Louis, 6th district.

Under the direction of these men and many other loyal KA's such as Paul Millspass of Starkville, Billy Hal Robbins of Starkville, Senator Mitchell Robinson of Jackson, Oscar Pool of Meridian, and General A. G. Paxton of Greenville, the building fund drive has been pushed to its present position. The boys in the chapter working in conjunction with the alumni have been able to sell their present home, draw up proposed plans for the new house, and raise money just short of enough to secure a loan and begin construction.

"To have accomplish what they did it was necessary for the boys to make many weekend trips canvassing for funds and contacting alumni," said Chapter President Ware. "Because of this most important task, the KA's sacrificed by not having their annual Spring Formal and their Old South Ball, which is the big event of the year for this group. Through the continued generosity and support of loyal KA's, the Kappa Alpha's at State College are sure to succeed in their building campaign."

NEW GAS WELL POSSIBLE

Mississippi may have a new natural gas field. It is in Waltham County in South Mississippi about 10 miles west of the Hub Field in Marion County, he Shelly Oil Company said. The Dexter No. 1 in Section 8, N. 10E, in Waltham County shows possible commercial natural gas production. It registered 100 feet of 51 gravity distillate and an unestimated amount of natural gas at a 500-5200 foot bottom hole pressure was reported at 3,210 pounds and that pressure 1,200 pounds. Contract depth of the well is 12,500 feet, with operations continuing in an effort to get deeper production.

Talking Machines May Be Commercial Use, May Be Introduced By S. Bell

A device enabling business machines to "talk" directly over lines similar to those used for personal telephone conversations, at a speed of about 1,000 words a minute, may be soon introduced for commercial use, Mr. Dabney, local Southern Bell Manager, said today.

S. Bell Telephone laboratories, according to Mr. Dabney, announced this week that the experimental

Grand Prize Friday, May 17th

WATCH FOR THE BPS COLOR FOLDERS

Bell Telephone Laboratories, according to Mr. Dabney, announced this week that the experimental device, known as a "Data Subset," will transmit printed material at a speed sixteen times greater than conversational telephone typewriter systems now in use. By the use of the data subset and magnetic tape, business will be able to receive and transmit detailed data and work reports over one line, operating during the off-peak telephone traffic hours from 5 p. m. to 9 p. m., equaling the output of 30 expert typists typing at full speed for eight hours.

When perfected, the devices will be attached to information processing machines, such as electronic computers, electric typewriters, and adding machines for direct "talking." The information thus sent could be used to figure payrolls, conduct inventories, bill consumers or perform other business functions.

Presently the size of an office typewriter, Mr. Dabney pointed out that Bell engineers expect to reduce the data subset's size considerably by the use of transistors.

pastor Christian, Miss. Two new motel-type units were dedicated at Kiltwa-
Pastors, and Missionaries Conference, April 29-May 3. Shown above are

cis J. Hursey, Miss. Christian; Rev. John W. Green, Long Beach; Rev. Virgil
and Milton Hill, Gulfport.

**Fatal Mississippi
Traffic Accidents
Decreased During April**

Fatal Mississippi traffic acci-
dents decreased again during
April bringing the 1957 statewide
highway death toll down 30 deaths
below the number reported for the
corresponding first four months
of 1956.

According to Commissioner of
Public Safety Tom Scarborough,
29 persons died as a result of
April highway mishaps, as com-

pared to 34 killed last April.

The '57 toll as of May 1 stands
at 125 dead. One hundred fifty-
five motorists died last year
during the corresponding period.

Despite occasional verbal criti-
cism hurled by an irate motorist
ticketed for speeding by radar
working Highway Patrolmen, the
Patrol is continuing the "strict
enforcement" policy inaugurated
by Commissioner Scarborough. In-
fact, the Patrol is presently pur-
chasing additional radar machin-
es, credited nation-wide by traffic
law enforcement officials as one

of the means
to highway
fixed acci-
dents.

The year
carnage is
this light-
violators
feels.

Only a
increase in
noted. Con-
figure first
rueful April
April 29, 1957.
